

# Premium Estate Planning Package

## INCLUDED IN THE NETLAW PACKAGE:

- Last Will and Testament
- Probate Avoidance Living Trust (Includes guide for funding your Living Trust)
- Pet Trust
- Power of Attorney
- Living Will/Advance Directives
- Healthcare Surrogate
- HIPAA Authorization

### Documents below at additional cost:

- Special Needs Trust
- Million Dollar Baby Trust

# \$600

Spouses documents  
are included!

## ADDITIONAL BENEFITS:

### Access to network of estate planning attorneys

Preview attorney credentials, rates and reviews. Connect with estate planning attorneys nationwide. Collaborate and share documents with a network attorney.

*NetLaw is a self-service product and an attorney is not required to complete your estate plan.*

*In the event that you wish to engage an attorney, NetLaw makes it easy! Attorney fees may apply.*

### Personal 'LifeVault'

Secure, cloud-based storage that's accessible anytime, anywhere. Ability to store other important documents such as tax returns, deeds, insurance policies, and more. Update and modify documents at no additional cost for the first year.

### Peace of mind

One plan covers you and your spouse. If you're not satisfied with NetLaw, we offer a limited 30-day money-back guarantee.

|     |    |                                                                                                      |
|-----|----|------------------------------------------------------------------------------------------------------|
| YES | NO | Are you comfortable with the state deciding what happens to you and your most important possessions? |
|-----|----|------------------------------------------------------------------------------------------------------|

|     |    |                                                                  |
|-----|----|------------------------------------------------------------------|
| YES | NO | Have you specified who will care for your children when you die? |
|-----|----|------------------------------------------------------------------|

|     |    |                                                                           |
|-----|----|---------------------------------------------------------------------------|
| YES | NO | Do you want your children to control their inheritance when they turn 18? |
|-----|----|---------------------------------------------------------------------------|

|     |    |                                                                                                                                                                                                     |
|-----|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| YES | NO | Did you know when your children turn 18, you no longer have access to medical records or influence over their medical decisions unless your children name you in the proper medical authorizations? |
|-----|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

|     |    |                                                                                |
|-----|----|--------------------------------------------------------------------------------|
| YES | NO | Have you determined who will make healthcare decisions for you when you can't? |
|-----|----|--------------------------------------------------------------------------------|

|     |    |                                                                                                                                                 |
|-----|----|-------------------------------------------------------------------------------------------------------------------------------------------------|
| YES | NO | Have you completed a HIPAA authorization so select members of your family (including your spouse) will have access to your medical information? |
|-----|----|-------------------------------------------------------------------------------------------------------------------------------------------------|

|     |    |                                                           |
|-----|----|-----------------------------------------------------------|
| YES | NO | Have you communicated your intentions about life support? |
|-----|----|-----------------------------------------------------------|

|     |    |                                                                            |
|-----|----|----------------------------------------------------------------------------|
| YES | NO | Have you determined who will make your financial decisions when you can't? |
|-----|----|----------------------------------------------------------------------------|

|     |    |                                                                                    |
|-----|----|------------------------------------------------------------------------------------|
| YES | NO | Have you completed a Will to specify how your estate will be distributed at death? |
|-----|----|------------------------------------------------------------------------------------|

|     |    |                                                                                                               |
|-----|----|---------------------------------------------------------------------------------------------------------------|
| YES | NO | Do you want your family going through a lengthy, public process (known as probate) at the time of your death? |
|-----|----|---------------------------------------------------------------------------------------------------------------|

|     |    |                                              |
|-----|----|----------------------------------------------|
| YES | NO | Have you provided for a special needs child? |
|-----|----|----------------------------------------------|

|     |    |                                                   |
|-----|----|---------------------------------------------------|
| YES | NO | Have you established a Million Dollar Baby Trust? |
|-----|----|---------------------------------------------------|

If you answered “no” to any of these questions, NetLaw can help!

## Who would you appoint to make healthcare decisions for you if you can't?

A Medical Power of Attorney names who you trust to make healthcare decisions on your behalf when you can't.

First Choice/ Full Legal Name/Relationship

Second Choice/ Full Legal Name/Relationship

## Who would you choose to communicate with your doctors and access your private medical information?

By completing a HIPAA form, your medical documents will be available to your family members to make educated decisions.

First Choice/ Full Legal Name/Relationship

Second Choice/ Full Legal Name/Relationship

## Who will serve as your executor/personal representative? Without a Will, state law dictates who gets your assets.

This is true even if you have already told friends and family which assets you want them to have when you die.

First Choice/ Full Legal Name/Relationship

Second Choice/ Full Legal Name/Relationship

## Who will take care of your minor children if something were to happen to you?

The only way to guarantee that your wishes are fulfilled is by naming a Guardian in your Will.

First Choice/ Full Legal Name/Relationship

Second Choice/ Full Legal Name/Relationship

## Who would you appoint as Successor Trustee?

By creating a Revocable Living Trust and transferring your assets, you can save your family the time and expense of the probate process.

First Choice/ Full Legal Name/Relationship

Second Choice/ Full Legal Name/Relationship

## Who will be your Financial Power of Attorney to pay your bills, write checks, vote stock, etc.?

A Power of Attorney allows you to appoint someone to act on your behalf with regard to financial affairs, business or other legal matters.

First Choice/ Full Legal Name/Relationship

Second Choice/ Full Legal Name/Relationship

Your financial future, your family's financial future, and your legacy depend on how you preserve your estate.
